Hubel Marine reaches milestone in Panama ship registrations

9 February 2024

Hubel Marine B.V., a leading consultancy firm based in Rotterdam, is proud to announce the successful registration of **22** vessels with the **Panama Maritime Authority** in the year **2023**. This significant achievement has resulted in a cumulative **gross tonnage** of **875,580**.

In recognition of its commitment to excellence, Hubel Marine B.V. has achieved the impressive ranking of **number 8** among the **highest contributors** in the field of ship registration with Panama. This achievement underlines the company's commitment to providing top consultancy services within the maritime industry.

"We are pleased to have registered 22 ships in the Panama Ship Registry in 2023, strengthening our position as a major player in the maritime sector," said **Erik de Koning**, Managing Director at Hubel Marine. "Reaching the No. 8 highest contributor position reflects the continued dedication and expertise of our team. We remain committed to providing unparalleled advisory services to our clients while contributing to the continued growth and efficiency of the maritime industry. "
